### Proposition 301

#### District-reported 2005 results

##### Teacher pay

- On average, each teacher earned an additional \$3,624 in salary, which excludes performance pay that was distributed in fiscal year 2006.

##### Performance

- The District accomplished its goals, which were based on district and individual performance.
- Standardized testing was used to measure kindergarten through 3rd-grade students' reading proficiency after teachers had received professional development.
- The District provided tutoring, and student grades improved.

##### Menu

- 20 teachers earned additional compensation by participating in special projects, such as curriculum alignment and parent-school connections.
- For teacher development, 17 teachers participated in workshops and professional development in reading, Structured English Immersion, and science.
