Proposition 301

District-reported 2004 results

Teacher pay

 On average, each teacher earned an additional \$2,633 in salary, each librarian earned an additional \$900, and each counselor, facilitator, and staff development coordinator earned between \$1,639 and \$1,800.

Performance

- The District accomplished its goals, which were based on school and individual performance.
- Goals called for a 7 percent increase in the number of students reading at grade level, and for each teacher to tutor 5 students in reading.

Menu

- Monies were primarily used to add 13 full-timeequivalent teaching positions to reduce class sizes.
- 1 school offered before- and after-school AIMS intervention activities.
- 20 students, who otherwise may have been suspended or expelled, received instruction in an alternative setting.
- Additionally, monies continued to be used to pay 2 facilitators to assist with professional development activities.
