### Proposition 301

#### District-reported 2008 results

Teacher pay

• On average, each teacher, librarian, and counselor earned between \$3,491 and \$3,503 in additional salary.

#### Performance

- The District accomplished most of its goals, which were based on district, school, and individual performance.
- 60 percent of students met or exceeded standards in reading, writing, and math on the AIMS test.
- Each teacher also selected an individual goal focused on either parent involvement, professional development, leadership, or tutoring.
- The graduation rate was at least 95 percent, and the student attendance rate was also 95 percent.

#### Menu

- Menu monies were primarily used to create additional reading, writing, and math classes for AIMS intervention.
- Monies were also used to increase eligible employee compensation.
- Additional monies were used for dropout prevention, class size reduction, and professional development.
- An instructional aide was hired to reduce 5thgrade class sizes from 30 to 15.
