## Proposition 301

District-reported 2004 results
Teacher pay

- On average, each teacher earned $\$ 5,493$ in additional salary.

## Performance

- The District accomplished its goals, which were based on school and individual performance.
- Schools developed individual academic improvement plans for students to help them achieve 1 year's academic progress on standardized tests, and meet grade-level benchmarks and state standards on the AIMS test.
- Teachers developed, taught, and evaluated 1 lesson plan based on state standards, developed a professional development goal, completed 6 credit hours toward an academic endorsement or master's program, and attended training classes.
- Teachers also participated in leadership activities including mentoring and committee work.
- The District developed a parental involvement program, which included such things as weekly newsletters, home visits, and evening and afterschool activities for parents.

## Menu

- Monies were used solely to increase teacher compensation in an effort to attract and retain teachers.
