## Proposition 301

## District-reported 2006 results

## Teacher pay

• On average, each teacher, librarian, speech pathologist, audiologist, and counselor earned an additional \$4,815 in salary.

## Performance

- The District accomplished most of its goals, which were the same as the prior fiscal year's goals and were based on district performance.
- Goals were linked to student achievement on standardized tests and district assessments, and the results of a parent satisfaction survey.

#### Menu

- Monies were used primarily to increase eligible employee compensation.
- The District also continued to use monies to reduce class sizes at schools where class sizes exceeded district guidelines, and to employ teachers and instructional aides for AIMS intervention.
- Teachers participated in professional development activities to increase their knowledge of instructional strategies to help increase overall student achievement.
- Monies were also used for dropout prevention programs to address students' academic difficulties, attendance, and discipline.
