#### Performance

- The District accomplished its goals, which were based on district, school, and individual performance.
- The District used end-of-the-semester and endof-the-year tests to measure student achievement.
- Student attendance was maintained at 94 percent, and 85 percent of eligible students graduated.
- Parents and students participated in schoolsponsored committees, programs, or activities.
- Teachers actively participated in professional development activities, faculty meetings, grade level/department meetings, and at least one committee, tutored if necessary, and received satisfactory performance evaluations.

#### Menu

Monies continued to be used to pay for eligible employees' health insurance premiums.
