### Proposition 301

#### District-reported 2005 results

##### Teacher pay

- On average, each teacher earned an additional \$2,815 in salary.

##### Performance

- The District accomplished its goals, which were similar to the prior fiscal year's goals and were based on district and individual performance.
- At least 50 percent of students demonstrated adequate yearly progress.
- Teachers achieved leadership goals by being involved in athletics, clubs, or yearbook.
- Teachers also were involved in before- and after-school tutoring and professional development activities, such as workshops and classes.
- District assessment plans were aligned with state standards.

##### Menu

- Teachers received additional compensation for students achieving adequate yearly progress, and for teachers receiving acceptable performance evaluations and developing district assessment plans for their grade level or subject area.
- Monies were also used for professional development activities.
