OPERATIONAL TRENDSFiscal years as indicated

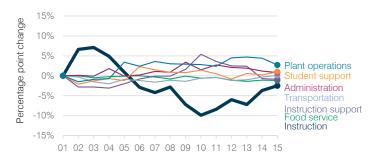

5-year spending trend (2010 through 2015)

Total operational spending per pupil, adjusted for inflation, increased by 15 percent. The percentage of dollars spent in the classroom varied year to year, increasing overall from 35 to 42.4 percent. Overall, as a percentage of total operational spending, instruction support decreased substantially and administration and food service decreased slightly, while transportation increased slightly. Other nonclassroom areas varied year to year.

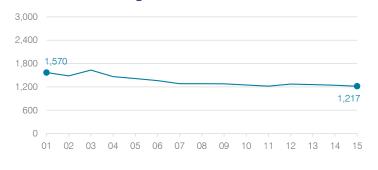

Total operational and instructional spending per student (inflation adjusted to 2015 dollars)

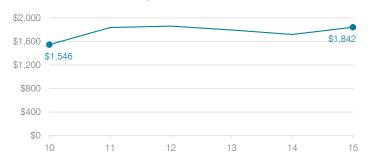

Changes in operational spending percentages

Students attending

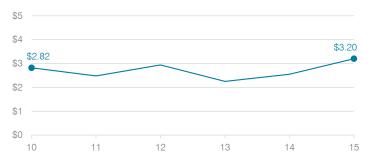

Administrative cost per student

Plant cost per square foot and square footage per student

Food service cost per meal

Transportation costs per mile and per rider
