### Proposition 301

#### District-reported 2005 results

##### Teacher pay

- On average, each teacher and counselor earned an additional \$4,450 in salary.

##### Performance

- The District accomplished most of its goals, which were similar to the prior fiscal year's goals and were based on school and individual performance.
- Student achievement in reading, writing, and math was measured by standardized tests, and each school met adequate yearly progress.
- Teachers attended professional development activities dealing with topics such as technology, communications, and writing across the curriculum.
- Student attendance was at or above 94 percent.
- The District met state standards for dropout and graduation rates.
- Other goals involved teachers' participation in leadership activities and increased communication with parents.

##### Menu

- Monies were used solely to increase eligible employee compensation.
