Teacher pay

- On average, each teacher, librarian, and counselor earned an additional \$2,608 in salary.

Performance

- The District accomplished its goals, which were similar to the prior fiscal year's goals and were based on individual performance.
- Eligible employees participated in professional development activities, received acceptable performance evaluations, tutored students, served on committees, and mentored new teachers.
- The other goal was linked to results of a parent satisfaction survey and parent contacts.

Menu

- Monies continued to be used for dropout prevention activities. The Alternative Education School served 25 at-risk students, with 3 students graduating in the spring of 2006.
