## Proposition 301

## District-reported 2007 results

Teacher pay

• On average, each teacher earned an additional \$4,445 in salary.

#### Performance

- The District accomplished most of its goals, which were similar to the prior fiscal year's goals and were based on school and individual performance.
- Teachers were compensated on a per-student basis for students who scored 69 percent and above on standardized tests.
- 2 teachers earned performance pay for having perfect attendance.
- Other goals were linked to student attendance, teacher development, and parent-student satisfaction.

#### Menu

- Monies were primarily used to increase teacher compensation for accomplishing student achievement performance goals.
- Teachers were compensated for participating in teacher development activities.
- Monies were also used to pay 2 instructional aides for providing AIMS intervention activities.
