Subject: Ajo Unified School District—Not in Compliance with the USFR

Dear Members of the State Board:

In accordance with Arizona Revised Statutes (A.R.S.) §15-271, we are notifying you that Ajo Unified School District (District) has not corrected its deficiencies with the *Uniform System of Financial Records for Arizona School Districts* (USFR). Accordingly, we request that the Arizona State Board of Education (State Board) take appropriate action as prescribed in A.R.S. §15-272.

In August 2024, we notified the District that it had not complied with the USFR based on our review of its fiscal year (FY) 2023 financial audit reports and USFR Compliance Questionnaire (Questionnaire). The District was given 90 days to correct its deficiencies included in the attached list. In November 2024, the District provided the required corrective action plan (CAP) for our review. Based on assertions in the District's CAP and discussions with District management, we determined that the District has not made enough progress in correcting its deficiencies to warrant a status review, and it is still in noncompliance with the USFR.

We will continue to meet with District management to discuss specific USFR requirements of each applicable deficiency area and the District's planned corrective actions. When the District can demonstrate that it has corrected its deficiencies, it should notify my Office and we may perform a status review to determine if the District is no longer in noncompliance with the USFR, and we will inform you of the results. The District's FY 2024 financial audit reports and Questionnaire are due by March 31, 2025. Once those reports are submitted, we will also review them and provide an update on the District's compliance status to the State Board.

If you have questions concerning this matter, please call Meghan Hieger, Director, or Chris Votroubek, Manager, within our Accountability Services Division at (602) 977-2796.
